

ECO FRIENDLY GANESH IDOL OF RCOEM WINS FIRST PRIZE

Boys and Girls of RCOEM hostel took a unique initiative to make eco-friendly idol of Lord Ganesha made of Alum under the guidance of Adocate Pradeep Agrawal, Chairman temple committee. This initiative of RCOEM of Eco Friendly Idol carries a great social message that the time has come when festivals must be celebrated with eco sensibility.

The idol was declared the 1st winner of Avaneesh...Pratham Tula Wandito 2016 by a NGO Kaazwa in association with mini ARTS event. The NGO has surveyed all Ganesh Mandles in the city and on basis of 10 ecofriendly parameters, rated the whole festival celebration on a scale of 10 in which RCOEM Ganesh Festival Celebration got the highest, 9 points as it celebrated Ganesh festival in most ecofriendly manner. We are thankful to the NGO for spreading awareness in the society about ecofriendly celebration of festivals.

Students of Boys and Girls hostel such as Vishal Bagadiya(CSE – final year), Sagar Pokarna (Civil – final year), Sahil Saraf (Industrial – final year), Ayush Gandhi (MAM – fourth year), Pratik Mantri (Civil – final year), Pratham Singhaniya (Civil – final year), Abhishek Agrawal (Civil-final year), Tejal Chandak (Civil – final year), Radhika Agrawal (Civil – final year), Soniya Agrawal (CSE – final year) , Sumit Karnawat (Industrial – Third year), Krishna Agrawal (Civil – third year), Nipun Agrawal (IT – third year), Sourabh Shah (EC – third year), Harshit Nanda (EN – third year), Nishant Agrawal (Industrial – third year), Jayesh Chandak (Civil – third year), Ayur Chourasiya (EC–third year), Yash Agrawal (CSE – third year) and Arya Agrawal (Civil -- third year) put their immense efforts in making this celebration a grand success.

Students also took the initiative of donating notebooks and stationary items to the children of orphanage which was a grand success. This celebration ultimately ended with immersion of Ganesha on 11th September, 2016 and students of Boys and Girls hostel celebrated Ganeshotsav with their immense contribution towards environment.
