INTRODUCTION:-

Shri Ramdeobaba College of Engineering & Management (SRCOEM) is having Entrepreneur Development Cell-OASIS. This Cell is launched in the year 2006-07 EDC was formed by Prof. I.P. Keswani (EX-HOD)INDUSTRIAL ENGINEERING in SRCEM with a view to encourage students of college from all the discipline's student to consider Self – employment as a career option, also provide training in Entrepreneurship through modular courses .

In the year2011-12, AICTE is kind enough to grant a Rs. 4.00lacs fund for ED cell.

At Present Prof. M.R. Jain of Industrial Engineering Department is chief coordinator for OASIS-ED Cell.

THE MISSION

An acknowledged SRCOEM, Oasis “the Ed Cell” is committed to entrepreneurship education, training and research. The institute strives to provide innovative training techniques, competent faculty support, consultancy and quality teaching & training material.

IN CONSONANCE WITH THIS BELIEF, OASIS-EDI AIMS AT:

- Creating a multiplier effect on opportunities for self-employment,
- Augmenting the supply of competent entrepreneurs through training,
- Augmenting the supply of entrepreneur trainer-motivators,
- Participating in institution building efforts,
- Inculcating the spirit of 'entrepreneurship' in youth,

- Developing and disseminating new knowledge and insights in entrepreneurial theory and practice through research,
- Facilitating corporate excellence through creating entrepreneurs (entrepreneurial managers),
- Improving managerial capabilities of small scale industries,
- Sensitizing the support system to facilitate potential and existing entrepreneurs establish and manage their enterprises.

OBJECTIVES

1. To create an environment for Self-employment, Promote Innovation Incubation and Entrepreneurship development through formal and non-formal programs.
2. To introduce the concept of entrepreneurship in curricula at diploma and degree levels.
3. To develop management personnel at appropriate levels for the non-corporate and unorganized sectors like education, rural development, small-scale industry etc.
4. To utilize the infrastructure facilities and technically trained manpower for the development of non-corporate and unorganized sectors.
5. To promote employment opportunities.

ACTIVITIES OF THE (OASIS) ED CELL:-

The EDC promotes Entrepreneurship related activities such as

- ✓ Guest Lectures by successful alumni in business and other prominent Industrialist of the region,
- ✓ Conducts entrepreneurship Training program for first year students “ACCRETE” for 02 days,
- ✓ EMPRESARIO-One day workshop on “Basics of entrepreneurship”, FOR ALL second year students.
