• Parents Meet

Department of Electronics and Communication Engineering organized a Parent-Teacher Meeting for the session 2020-21 (ODD Semester) on **14th October 2020**. Parent-Teacher Meeting was conducted through online Google meet. The coordinator Dr. Deepak G. Khushalani welcomed the parents and emphasized on the need of developing an enhanced communication between parents and faculty to serve as a bridge in fulfilling expectation of parents and students especially during the online mode of teaching. Dr. R. B. Raut, HoD EC addressed the gathering conversing about the co-curricular and extracurricular activities conducted by the department before and during this online mode of teaching. Dr Raut especially addressed the parents about the support mechanisms and activities carried out to fulfill overall development of the students. A brief review of the various activities and schemes offering support to students for ensuring student progression in academics, placements formed a segment of this discussion. The schemes offering counseling to students were also discussed. Parents were also made aware about the academic and exam rules, guidelines and provisions of the college especially for the online mode of teaching by the HoD.

The parents showed keen interest in the meeting and disclosed their satisfaction regarding the culture and atmosphere prevailing in the department and discussed their queries related to the academics and personal growth of their ward. The parents profoundly enquired and discussed about the activities of the department towards preparing students for higher education, placements, internship and overall development.

- [Departmental student's society "Communique" events](#)

In the difficult situation of pandemic, the Communique student's society tried to encourage and motivate students by organizing some online events during **October 09-11, 2020**. The motive

behind these events being fun at the same time to gain knowledge and improve interpersonal skills.

The events were:

- **TechCrunch**

This was the technical event conducted to specially award the students of 2 year who have gained some extra knowledge during this pandemic and have worked on various aspects that will help them in near future. The event was conducted in 3 stages.

Stage 1: Show off your Qualities where students submitted their resume along with the certification of various courses that they have undertaken.

Stage 2: Evaluation was short listing of best candidates from both 3rd Year and 2nd year for final seminar presentation.

Stage 3: Final seminar in the final round shortlisted students prepared a PPT showcasing all the skills and knowledge gained in very presentable way. These presentations were evaluated by a panel of two faculties Dr. Deepak Khushalani Sir and Dr. Pradeep Selokar and the final winner from 2nd and 3rd year each was awarded.

From 2nd year Master. Bharat Loiya was declared winner.

From 3rd year Master. Sarvesh Tripathi was declared winner.

- **Drama**

This was the Cultural Event 'Manch' conducted to specially award the students of 2 year. This event enabled our students to enhance their communication skills, dialogue, negotiation, socialization. The event was conducted in a monologue type. The event was conducted as follows:

The video of the contestant's monologue was to be submitted in the google form prior to the due date provided. The genre was as per the student's choice and time limit allotted was 3min-5min (max). There was a tie between Master. Akshat Joshi and Master. Sarvesh Deshpande, both from 2 year.

- **Mini lit Cup**

This event was specifically conducted for students of 2 nd year to showcase their talent related to literature and also to create a strong team which would represent EC for Literary Cup. This event was divided into sub events which were:

Debate: The one who speaks Conquers: In this sub-Event, two teams of two people each were given 2 minutes to speak in 2 people will speak for the topic and other 2 will speak against the topic. After Completion of 2 minutes both the teams were given 1 minute in which the judges asked question and 1 member from each team had to answer. The winners for this event were Master. Akshat Joshi & Miss. Grishma Acharya.

Open Mic: In this event 2nd year Students were given a wonderful opportunity to showcase their talents. Where all the students from all the three years showcased their talents by performing a stand-up Comedy act, Reciting a poetry etc.

- **Think Draw and Brand**

In this event 2nd year were asked to showcase their creative side. In this event they were given with few topics to choose from and were asked to

- 1) Design a logo in such a way that it shows off the product you are branding.
- 2) Poster Making

Arnav Verma was declared winner

Ishita Jain was declared runner –up

Overall best poster winners were Miss. Coral Mahato and Miss. Meeti Khandelwal.

- **Shutterstorm**

This event was conducted to specially award the students of 2nd and 3rd year. The reason why this event was conducted is to get students know the importance of photography how it freezes memories and how it captures the moment in time that you'll be able to remember and cherish years from now. Students showed their photography skills under 2 themes

- 1) Mobile Photography: Abstract Reflection
- 2) DSLR Photography: Long Exposure

The Photograph was to be submitted in the google form prior to the due date provided. Master. Ayaaz Bungalowala secured 1st position and Master. Shreyank Ladekar secured 2nd position.

- **Inceptra**

This was the Cultural Event for Dance and Music which was conducted to specially award the students of 2nd and 3rd year. This event enabled our students to showcase their talents in Music (Instrumental and Vocal) and in Dance too. The event was conducted as follows:

The video of the contestants was to be submitted in the google form prior to the due date provided. The duration of the video was set to be 2 mins (max). There were 2 categories:

Music Event (Vocals + Instrumental)
