## Seminar on Data-Science and Machine Learning

On 7th April, 2022 Industrial Engineering Society (IES) organized the 1<sup>st</sup> offline seminar after the pandemic in the MBA auditorium. The purpose of the seminar was to make the students conversant with data science and machine learning and to guide them through the roadmap of excelling in this field. The dignitaries on the dais were Dr. Yogesh Deshpande, Prof. Rahul Balwaik, professor at St. Peter's University. The seminar was commenced by the welcome address and introduction of the guest of honor Prof. Pooja Umathe given by Ms. Sakshi Kokne. In the first place Prof. Pooja gave an overview about what exactly data science and machine learning is. She further explained both the topics meticulously with the help of PPT. The PPT consisted of a great number of topics such as: what do you mean by data science, who can become a data scientist?, process of data science, life cycle of data science, what is machine learning?, machine learning life cycle, algorithms in machine learning, machine learning structure, applications, etc. In addition, it also developed a keen interest among the students concerning data science and machine learning. Dr. Yogesh Deshpande felicitated Prof. Pooja Umathe and Prof. Rahul Balwaik with a souvenir. The seminar was brought to an end with the vote of thanks given by Shantanu Awachat, secretary IES.

## Industrial Premiere League

On 4<sup>th</sup> December 2022, The Industrial Engineering Society (IES) organized IPL i.e. Industrial Premier League at the Basketball Ground from 10 am to 6pm. A day before the matches, various players of 2<sup>nd</sup>, 3<sup>rd</sup> and 4<sup>th</sup> years were bought in the auction and were distributed into 4 teams. Matches were of 3 overs. The most expensive player was Omkumar Patil, a final year student who was sold for 57 crores to Tea Baggers. The event altogether was a success and TT Tigers won the tournament.

## Drishti 2022

On 6<sup>th</sup> December 2022, Industrial Engineering Society (IES) organized ‘Drishti 2022’, the annual induction programme for 2<sup>nd</sup> Year students. The event commenced with Saraswati Vandana and lighting of lamp followed by a welcome note given by the anchors. All the dignitaries were invited to the dais. The introductory remark was given by Dr. Yogesh V Deshpande, Faculty In-charge, IES. It was followed by an Introduction of all the faculty members of the department by Dr. M M Gupta, HOD, Industrial Engineering. Then after, the chief guest, Mr. Rashid Sheikh, an alumnus of Industrial, enlightened us through his experience in the department and what all he was able to achieve after pursuing Industrial Engineering. Further, the chief guest answered a few questions from the audience. This was followed by short speeches given by the faculties, primarily focusing on the importance & future of the department. The programme was concluded with a vote of thanks given by Mr Shantanu Awachat, President, IES.

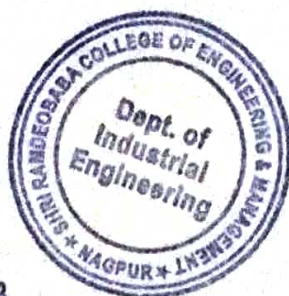

## Elysium 2023

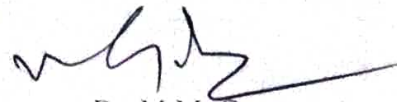

On 3<sup>rd</sup> December 2023, Industrial Engineering Society organised Elysium and it lasted till 5<sup>th</sup> December. This is a cultural event of the Industrial Engineering Department which aims to create bonding between seniors and juniors of this branch. On 3<sup>rd</sup> and 4<sup>th</sup> December, students did some activities together to make the newly came second years feel welcome in the branch. On 5<sup>th</sup> December, IES organised an Installation ceremony for IES, IIIE, and ED-cell. Along with it, we had two guests during the event, Mr. Varun Pasari from Halsted and Mr. Varun Chopra, Founder Foster reads. Both are the alumni of Industrial Engineering; they encouraged the students to apply the learning of our department in real life. This event was followed by the informal event where students and teachers performed their talents on the stage. At the end the event was concluded followed by dinner.
