

Shri Ramdeobaba College of Engineering and Management, Nagpur
Department of Computer Science and Engineering

Event Name:- How to prepare for an interview

Department of Computer science and engineering (AIML), Shri Ramdeobaba College of Engineering and Management, Nagpur organized a seminar on “How to prepare for an interview” on 22 Sept. 2022.

Mr. Sujal Agrawal and his classmates, CSE Final Year students, RCOEM was the key speakers for the program. During their address to V-Sem AIML students, they laid stress on the importance of co-curricular activities in the overall personality development of a student and encouraged them to excel in all the fields to achieve their career goal. They shared their experience while facing interviews of reputed companies coming to college for the placement. Mr. Sujal motivated all the students to do master in C language as well as other programming language so that it's easy for them to pass in any interview easily.

All AIML students were prominently attending the program and feel very confident after the program.
