

SHRI RAMDEOBABA COLLEGE OF ENGINEERING & MANAGEMENT, NAGPUR

Department of Health, Physical Education & Sports

Annual Sports Report 2017-18

At RCOEM, we create benchmarks in excellence not only in studies but also in sports and games, for we believe in the concept of integrated development of the individual with *magisas* our watchword. Sport is a theatre where sinner can turn into saint and a common man become an uncommon hero, where the past and the future can fuse with the present. Sport is singularly able to give us peak experiences where we feel completely one with the world. It's a custom of our college to show excellent performance not only in academics but also in sports.

This report is a compilation of achievements and benchmarks we made in the field of sports and games during the year 2017-18.

At the outset, we would like to gratefully acknowledge the gift of the college management, namely, the Sports Complex of College near Mohali, Kalemshewar. **Champions aren't made in the gyms. Champions are made from something they have deep inside them - a desire, a dream and a vision.**

The faculty offers excellent opportunities and friendly counselling for overall development of personality through events among the youth. These facilities provide a sense of confidence in the students and make them ready to face the new challenges. Participation in sports makes them competitive enough to withstand the challenges in life.

It's a custom of our college to show excellent performance not only in academics but also in sports. Our college participates in various inter-collegiate sports tournaments organized by Nagpur University. Our students performs well in inter university level tournament as well as in events at All India Level.
