

Aaruni'22

Date: 9th July – 15th July 2023

“Aaruni” is the official fresher’s party for the newly admitted first year students. It was flagged off on 9th July 2023 and the theme for this year was “The Binary Boulevard”. The event, after its commencement, went on for a week with interesting activities for the young minds, which were categorized under class, group and individual type of activities.

The event was kick-started with “**Happy Hours**”, a day filled with various sports competitions amongst the classes. Students’ Representative Council along with Team Aaruni organized inter-class sports competitions like box cricket, basketball, chess, table tennis, tug-of-war and kabaddi. Each class put their best foot forward and let no stone unturned to clench the title and emerge victorious amongst their competitors. Their enthusiasm was remarkable as they could be seen following certain dress codes and chanting slogans to prove their mettle. Happy hours began with a delightful performance by the SRC members. Surprise performances by the music and dance club were held after the conclusion of all the sports events. The students were thrilled by the performances and enjoyed every minute, calling it a day with enormous smiles on their faces.

The following day, **Impera**, the personality test contest for the titles of Mr. and Ms. Impera began. There were five rounds to be conducted, each being a step closer to winning the ultimate title. In the first round, the participants were asked to fill in their question papers according to their opinions. The next round was an aptitude test, followed by a group discussion round, wherein the general awareness of the students was put to test. The fourth round was a fun-filled surprise round, wherein the students took part in extempore and were tested on their abilities to act upon a situation given to them on the spot. The next and the fifth round was a personal interview round, in which the students who surpassed all the four rounds were invited. After the personal interviews, three girls and three boys were shortlisted for the final stage round which was held on 15th July 2023. The stage round was held in front of the judges who were invited, the faculty and the students.

During the week, to keep the students engaged and involved and to ensure that no one was left out of the events, numerous tasks were given, like to make up a video on a certain outline with their creative freedom and approach. Each of the tasks were evaluated and a leaderboard was made. These points were then summarized to find out the winner of the Best section task.

The final showdown of Aaruni 2022 was the **Cultural Night**. At first, the impera stage round was held in which the three finalists put their best foot forward. Following Impera rounds, the most awaited series of events began. The program kicked off with a mellifluous performance by the Music Club, succeeded by The Drama club and dance club. The show was graced by the fashion walks, based on theme as well as off theme. The performances also consisted of the students selected for dance and ramp walk, during the cultural auditions. After the performances, the winners of the titles of Impera, best section, best walk and dance and best dressed were announced. **Pratham Patoliya** was crowned as **Mr. Impera**, while **Snehal Chaudhari** won the title of **Ms. Impera**. They were awarded with a crown, sash and a gift. The best section award was won by **Section B, followed by section O and A**. The title of the best dressed was won by **Archita Sugandh and Navtej Singh Bedi**. There were awards for best dance and walk as well, which were won by **Mahi Tiwari** and **Nandini Joshi** respectively.

The last but not the least was the dinner, which was arranged for the students with a wide variety of dishes. Towards the end of the event, every student was given a memento of Aaruni '22 as a token of love. In all, the entire week was filled with fun, leisure and challenges for the students, which witnessed great responses and blossoming bonds.

The event was well managed and coordinated by SRC and team Aaruni with the guidance and support of **Dr. Rashmi Shahu, Dean of Students** and was graced by the faculty members. The event was remarkable in all its glory and concluded on a zealous note, setting the tone for the upcoming year.
