About RCOEM :-

Shri Ramdeobaba College of Engineering and Management, Nagpur (India) is a premier autonomous institute in central India. It is committed to excellence in its technical education and management programme. It was established in 1984 and since then it is renowned for engineering and management education and research. The institute offers undergraduate, post graduate and doctoral programmes in Engineering and management. It is affiliated to Rashtrasant Tukdoji Maharaj Nagpur University, Nagpur and is also accredited by National Board of Accreditation, New Delhi.

To impart impetus to innovation eco system, the Institute has established "RCOEM Technology Business Incubators Foundation", a section 8 company in Dec 2016. The institute has established "Center for Invention, Innovation, Incubation & Training (CIIT)" in 2019 ; estimated cost Rs. 23.50 Cr with Tata Technologies for promoting technology based startups. RCOEM has got INDIA TODAY ranking of '50th' in All India Private Engineering Colleges Category. RCOEM has got '26' rank in all Engineering Colleges of India 2020 in the CSR Magazine survey. RCOEM is ranked 28th in Outlook's India's Best Professional Colleges 2020 Survey. RCOEM has got INDIA ranking of '119' by National Institutional Ranking Framework, Ministry of Human Resource Development, Government of India in Engineering Category in 2021. Also RCOEM stood FIRST in Private Self Finance Engineering Colleges of Maharashtra. With 37 years of existence, it adheres to the highest ethical standards and professional integrity.

About DMT :-

Department of Management Technology is recognized as a place of learning, imparting management education of highest standard to meet the needs of the society. A masters of business administration opens doors for students to work in various industries, banks and those organizations where management of material & operations, manpower, marketing of products & services, and subject to the decision of the journal aspects have to be managed.

DMT has been rated 142 by Business today All India B-School survey and a rating of AA+ by Careers 360 magazine survey for the year 2020 & 150th on 2021. It is also ranked 63rd for future orientation as per MDRA Business today B-School Ranking of 2021.

About Conference :-

The economic crisis triggered by the coronavirus pandemic in 2020 gave birth to the Atmanirbhar Bharat Abhiyan. Atmanirbhar means 'self-reliant'. India's self-reliance will be based on five pillars: Economy, Infrastructure, Technology driven system, Vibrant demography and Demand. India is an agricultural

country where more than 70% population is in villages. It is a priority to develop self reliant rural place and population. Improving the quality of living, implication of innovative solutions and best practices in Engineering & Management have critical role to play. The prime goal of the conference is to promote research and developmental activities in Engineering, Management & Applied Sciences.

Conference Objectives :-

- 1) To invite expert views on Rural Innovation.
- 2) To generate ideas on Rural Innovation and Technologies.
- 3) To generate ideas on Rural Services and Entrepreneurship.
- 4) To disseminate the cause of Atmanirbhar Bharat.
- 5) To showcase the readiness of the administration to the industries wanting to invest their CSR funds.

Conference Outcomes :-

- 1) Understand the socio-economic, political and cultural framework of the rural society
- 2) Address the challenges with suitable responses for the identified rural issues
- 3) Engage in the activities of UBA with better understanding
- 4) Rejuvenate actionable research in rural technologies and services.
- 5) Synchronize and ameliorate the Industry Institute relationship towards rural innovations
- 6) Drive meaningful student projects based on the research discussed during the conference.

Call For Papers :-

The conference aims at inviting experts from industry & academia and research scholars to share their research on Rural Innovation and Entrepreneurship towards sustainable and resilient communities: A Step towards Self Reliant India. Research papers, case studies and articles are invited on the specified theme of the conference. The conference encourages regional and international communication and collaboration; promote professional interaction and lifelong learning; recognize outstanding contributions of individuals and organizations. The Conference will bring together Researchers, Doctorates, Scientists, Engineers, Scholars and Students in the areas of Management, Applied Sciences, Engineering and Technology, and provide a forum for the dissemination of original research results, new ideas, Research and development, practical experiments, which concentrate on both theory and practices for Rural India.

Publication :-

All the papers will be reviewed by technical screening committee. All papers will be published in ISBN Conference Proceedings. Interested Participants can submit papers for Journal Publication with extra charges. Selected papers which pass the Reviews of the journals will be published in the respective journals. The Journals would be UGC care listed journals, Scopus listed or Scopus indexed Journals, WoS and ABDC listed journals.

Important Dates

Last Date of Abstract Submission: 20th February, 2022

Last Date of Full Paper Submission: 1st March, 2022

Paper Submission Mail id: craft@rknc.edu

Guidelines for Authors :-

- Papers must not exceed 5000 words in length (2000 words for work in progress papers), including abstract, figures, references and appendices.
- Set the page size to A4 with margins of 2.54 cm all around. Please do not insert headers, footers or page numbers. Do not refer to page numbers in your text as these will be changed.
- Do not use multiple columns. Put the title of the paper in bold, left aligned, at the top of the first page only. Then, on the next line put the names of the authors.
- A 300 word abstract should follow. Include up to 6 keywords or phrases.
- Do not use more than three levels of heading and use the numbering convention. Figures and tables should be placed as close to their reference point in the text as possible. All figures and tables must have titles and must be referenced from within the text.
- References should follow the APA referencing style.
