ELECTROLITZ STUDENT'S

SOCIETY ACTIVITY REPORT

2021-2022

ELECTROLITZ

The ELECTROLITZ Society was established in 1995. Since its inception ELECTROLITZ, the Students' society for the Electronics Engineering students, has worked tirelessly to achieve the goals set by this famed department with renewed vigor and vitality with every passing year. ELECTROLITZ is an organization of choice for Engineers in the Electronics domain, providing valuable and relevant services to all its members. ELECTROLITZ and its members are recognized by their peers as the technical leaders in the advancement of the Branch.

OUR VISION

- ❖ To be the top performing and the most admired department in RCOEM.

OUR MISSION

- ❖ To constantly achieve academic and co-curricular excellence.
- ❖ Developing diverse, innovative and result oriented students motivated to deliver excellence.

OUR OBJECTIVES:

- To promote professional development and networking opportunities for students
- To provide a platform for students to develop their leadership skills
- To foster a community of Electronics Engineering students and provide opportunities for students to interact and engage with their peers.

A handwritten signature in blue ink, followed by the initials 'NRR' written below it.

ELECTROLITZ is committed to deliver excellence in curricular and co- Curricular activities by focusing on the following:

- ❖ Increase the level of support offered to students by the society.
- ❖ Promote an interest in the electronics field among students.
- ❖ Provide opportunities for students to develop life skills.
- ❖ Develop leadership skills.
- ❖ Organize field trips and competitions.
- ❖ Organize meetings, conferences and symposia for the specific purpose of exchanging information and ideas.
- ❖ Plan the annual meeting and other symposia to be appealing and relevant to our members.
- ❖ Recognize, publicly and with appropriate publicity, the achievements of the individual members of the society
- ❖ Be the source for reliable technical information and provide points of contact for the media on society's issue of current significance.
- ❖ Establish and promote practices and procedures that foster knowledge and enhance the status of electronics students
- ❖ Manage the financial affairs of the society in such a way as to provide the services required with the resources available.
- ❖ Motivate students and their parents, teachers to take a more active role in events.

Society Teacher Incharges:

Prof. Vishal Rathee (ratheevr@rknec.edu)

Prof. Snehal Laddha (laddhasv2@rknec.edu)

ACTIVITIES

S.No	Date	Name of Activity	Level (State/ National/ International)	No. of Students Participated
1	20/07/2021 & 6/09/2021	First & Second CR Meeting	Department Level	12
2	21/1/2022	Third CR Meeting	Department Level	12
3	4/09/2021	Webinar on Topic "Opportunities and Scope in Electronics Industry".	Institute Level	45
4	15/09/2021	Engineers Day Celebration Felicitation of Alumni Mr. Likhith Agrawal and Ms. Alisha Nathani and Guest lecture by them on "Becoming Sustainable Entrepreneurs Serving Society"	Department Level	35
5	15/09/2021	Intra collegiate event "Engineer's Trivia"	Institute Level	130
6	1/10/2021	Electrolitz society Installation and Keynote address by Vice President of Reliance Jio Mr. Nilesh Mahajan on "The making of Future Ready IT Professionals".	Department Level	150
7	10/12/2021	UG Orientation i.e. of Second Year UG Students	Department Level	90
8	28/12/2021	PG Orientation i.e. of First Semester PG Students	Department Level	6
9	12/1/2022	Celebrating National Youth Day and "Youthopia" and Elocution Competition	Institute Level	53
10	20/3/2022	Stationary Donation Drive	Department Level	30
11	26/3/2022	ENNOVATE'22	National Level	216
12	22/4/2022 & 23/4/2022	ENPL, E Factor and Cultural Night	Department Level	180
13	23/4/2022	Kalanjali	Department Level	16
14	21/6/2022	Webinar on "Physical and Mental Fitness: Yogic Way"	Department Level	120

JRR *J*

First and Second Meeting

Date: 20th July 2021 & 6th Sept.2021

Time: 3:30 p.m. onwards

Venue: Online through Google Meet

The meeting of CR's of V, VII semester students of all sections for session 2021-22(ODD) was conducted by Dr. A.A. Khurshid (HOD, EN) in presence of Prof. V. Rathee, Prof. S. V. Laddha (Electrolitz student society Incharge)

Agenda:

- To enquire and create awareness among students related to regular attendance in online classes.
- Online teaching and learning for the academic session
- Preparation for campus drive
- Create awareness about Internships among students
- Encouraging students for participating in technical/curricular/co- curricular/extra-curricular events.

Discussion:

- CR's were instructed to ensure smooth conduction of classes online maintaining discipline. Also students were informed to maintain 75% attendance in all subjects and practical sessions.
- Students were motivated to utilize time effectively by enrolling into various courses offered by NPTEL and MOOC.
- Students were motivated to prepare for campus placements for upcoming campus drive for final year.
- Students were instructed to inform their participation in any technical/curricular/co- curricular/extra-curricular events to the class in charges and take prior permission.
- Final year students were addressed to complete Major Project within the stipulated time.
- Students were motivated to get the practical exposure of various technologies by undergoing internships in different organizations as per interest areas by prior permission from the internship faculty coordinator.
- Students were motivated to participate and organize in technical activities/workshops/design contests under student societies.
- Students requested to address the following issues:
 - Audibility in online classes
 - Orientation related to placement opportunities
 - Licenses for coursera courses
- Student requests were listened and promised to be solved at the earliest.
- The meeting ended with a note to accommodate all the suggestions given by CR's.

Dr. A.A. Khurshid

S. V. Laddha

Third CR Meeting

Date: 21 Jan. 2021

Time: 4:00 p.m. onwards

Venue: Online on Google Meet

A meeting of all Class Representatives (CR's) of III, VI and VIII semester students of all sections for session 2021-22 was conducted by Dr.(Mrs.) Meghana Hasamnis (HOD, Electronics Engineering) in presence of Prof. Vishal Rathee and Prof. Snehal Laddha (Electrolitz student society Incharges), Dr. Richa Khandelwal (Department Exam Incharge) and Prof. Smita Daware (Academic Coordinator)

Agenda:

- To create awareness among students related to regular attendance in classes and enquire about grievances related to teaching learning process if any.
- Discuss online mode of Teaching Learning and evaluation system for the academic session
- Propagate awareness about infrastructural and academic developments in the department and college and motivate students to do internships and participate in extracurricular activities.

Discussion:

- CR's were instructed to ensure smooth conduction of online classes maintaining discipline. Also students were informed to maintain 75% attendance in all subjects and well as about minimum criteria to appear for UT's as well.
- Students were motivated to enroll for various courses offered by NPTEL and MOOC.
- Students were informed about the mode of conduction of Tests and TA's and motivated to study well and discuss queries related to various courses with their respective course teachers.
- Students were motivated to participate in technical activities/workshops/design contests.
- 6th Semester Students grievance related to reduction of class timings that is till 5pm and removal of theory lecture before Lab hours were promised to be solved at the earliest if possible considering all the variations of day wise lectures of the class and faculty involved.
- Query regarding request for continuous lectures/workshop on Aptitude and personality development for 6th semester students, was resolved in a way such that it will be considered taking into account the day wise hectic schedule of students.
- It was assured to reconsider/relax the Minor lecture timings clashing with 8th semester Internship timings.
- The meeting ended with a note to accommodate all the suggestions given by CR's.

2. Appointment of President and Executive Members of Electrolitz Student Society

3. Webinar on “Opportunities and Scope in Electronics Industry”

An online webinar for creating awareness amongst students related to Opportunities and Scope in Electronics Industry and emphasizing the skill set and efforts required to be a part of such industry was organized on 4th September 2021 by Electrolitz Student's Society. Mr. Ahtesham Siddiqui, an alumnus of RCOEM, 2016 batch and Embedded Engineer, Analog Devices, Hyderabad, conducted the session. A total of 45 student registrations were received for the session.

After being introduced by Prof. Vishal Rathee, Mr. Ahtesham in his presentation talked at length on How to get entry in Electronics Industry, Roles and Responsibilities in Electronics Industry, Importance of Projects, Internships and Design Contests in students life and Correlation in entry process of core PSU's and Private Industry. Mr. Ahtesham, himself working with a core Semiconductor (VLSI) based company could easily explain the relation and relevance of subjects taught in the four years of electronics engineering and working platforms of major electronics industries. Concluding his talk he tried to solve all the queries of students and advised them to take steps and develop themselves in the field of their interest.

4. Engineer's Day Celebration and Guest Lecture on "Becoming Sustainable Entrepreneurs Serving Society"

Electrolitz Society, the students' society of Electronics Engineering Department organized an event in offline-online mode to celebrate Engineers' day on 15th September 2021. The event started with Saraswati Vandana followed by a short glimpse of Sir M Visvesvaraya's life and his achievements. Mr. Rishabh Thadani and Ms. Shruti Upadhyay, the anchors for the event highlighted the role of engineers in the development of society. They enlisted the achievements of alumni Mr. Apurv Dey who established his startup "The Imperial Lubricants", research scholar Ms. Sangeeta Palekar who received accolades for her project "Design and development of Spectroprocessor for biomedical applications" that has been shortlisted for finals of the Swadeshi microprocessor challenge organized by MeitY and had received a grant of 5 Lacs followed by achievements of some more Electronics Engineering students of 2021 batch.

On this occasion two of the alumni Mr. Likhith Agrawal and Ms. Alisha Nathani, of 2017 batch from Electronics department were felicitated by the Head of the Department Dr. (Mrs.) A. A. Khurshid for their noble gesture and contribution in developing an App for easier tracking of COVID'19 vaccine centres with available vaccine doses and also for promoting and nurturing reading habits amongst people during pandemic time by starting a novel concept called "Library on Wheels". Both of them in their address to students acknowledged the support they received from the department and faculty members in their initiation. They motivated students to aim big, become entrepreneurs and then work hard not only to become successful in their ventures but also to serve the society. The event concluded with a formal vote of thanks. Around 35 students attended the event.

5. "Engineer's Trivia" an Intra collegiate Quiz

An online quiz "Engineer's Trivia" was organized by Electrolitz Student's Society for all the E-branch engineering students of Shri Ramdeobaba College of Engineering and Management, Nagpur on 15th September 2021. Registrations were accepted beforehand for the quiz which was held using the online platform "kahoot" wherein 20 questions were asked to the participants pertaining to contributions made by renowned engineers of the society.

Around 130 students from within the college registered and participated in the quiz competition for which certificates of participation were given. Ms. Silky Agrawal, a student of 5th semester Electronics Engineering stood first in the quiz. Mr. Pukhraj Rathkanthiwar, a student of 5th semester Electronics and Communication Engineering and Mr. Mithilesh Bhanang, a student of 2nd semester from First Year Engineering secured second and third positions respectively in the quiz contest.

6. Electrolitz Society installation and Webinar on “The making of Future Ready IT Professionals”

New executive body of Electrolitz, Student’s Society of Electronics Engineering, Shri Ramdeobaba College of Engineering and Management was installed on 1st October 2021 for the year 2021-22 using the virtual online platform ZOOM. Mr. Nilesh Mahajan, Vice President, Reliance Jio Platforms Ltd. was the Chief Guest and keynote speaker for the function.

The event commenced with Saraswati Vandana, followed by the anchors highlighting the Department’s achievements. The anchors Ms. Darshana and Mr. Anshul gave introduction of Electrolitz Student’s Society, its vision and mission, told about SEVA DISHA cell- a social wing of the society and annual events like Ennovate, Entrix. This was followed by Mr. Prajwal Gorle, President, Electrolitz Society addressing the gathering where he briefed the audience about the Branch Cup and Electrolitz society’s approach to get it. Head of the Department, Dr. (Mrs.) Meghana Hasamnis in her address, highlighted some of the prominent achievements of the department and also motivated the students to strive for technical as well as co-curricular excellence. The Chief Guest of the function Mr. Nilesh Mahajan, Inaugurated official annual magazine of Electronics Engineering Department, ENSPIRE’14 consisting of write-ups from departmental clubs and cells, various articles and artwork by students.

VRR

[Handwritten signature]

In his address to students he emphasized for in depth and not superficial knowledge of programming languages like C, C++, Python, etc. He highlighted the different roles a programmer plays in Telecom industry like Jio, the different types of tools and platforms that are handled by a programmer and what are the expectations from a fresher when he enters an IT industry. He also briefed about his journey in the corporate world and answered to all questions raised by the attendees present in the meeting. Prof. Vishal Rathee and Prof. Snehal Laddha – Convener ENTHRONE, Prof. Parag Jawarkar – Member CDPC Cell and faculty members of Electronics Department were present to express their gratitude towards the chief guest for his time as well as to motivate and appreciate the students. The event received overwhelming response and more than 150 attendees were present in the installation ceremony that made this event successful.

7. Orientation Program for 2nd Year UG students

An orientation program for second year students was organized by the department of Electronics Engineering on 10/12/2021 to welcome and introduce the students to the faculty members, Infrastructure, Initiative and activities organized in the department.

Prof. Vishal Rathee, ELECTROLITZ Society Incharge, welcomed the Head of the Department, faculty members and students.

Dr. Mrs. M. A. Hasamnis, HOD, Electronics Engineering Department, then briefed the students about the vision and mission of the department, various computing facilities, laboratories available, about different clubs and societies in the department. She briefed the students about the curriculum, Honors and Minor schemes, open electives, challenges that can be encountered while obtaining placements or going for higher studies and how to tackle them. She urged the students to aim big, create opportunities by accepting challenges, maintain a good academic record and participate in events that improve their overall personality thereby improving their chances of placements with higher packages in renowned companies. She also introduced faculty members of the department and related portfolio incharges, various cells and committees like grievance cell, disciplinary committee, Anti-ragging committee.

Prof. Snehal Laddha, ELECTROLITZ Society Incharge and IETE Incharge introduced students about various activities conducted under each club, posts and applications process, eligibility criteria, Social responsibilities. Prof. Smita Daware, Academic Coordinator delivered a presentation on all academics related processes, current academic calendar, policies, JUNO application. She also informed students to contact her for any queries related to academics. She also discussed about facilities available in CIIT of the institute and motivated students to be a part of projects and incubations and create success stories. Dr. R. R. Khandelwal, DEC (Department Exam Committee) In-charge briefed the students with ordinances related to examination,

pattern of internal test and end semester exam, marks distribution, incentive criteria, Assessment pattern, rules for appearing in makeup exams & all other exam related work/patterns. Prof. Rushikesh Deshmukh, MOOC coordinator and Embedded Club in charge briefed about Honors and minor related courses, process and prerequisites. Being Embedded Club In charge as well, which creates a platform for sharing innovative ideas and inculcates research acumen amongst the students, he discussed how the club aims at enhancing basic knowledge and skills to come up with constructive and useful Embedded Electronic Systems. He urged the students to actively participate in the preparing activity chart for this club.

8. Orientation Program for 1st Year PG students

An online orientation program for first year students of M.Tech (VLSI Design) was organized in the department of Electronics Engineering on 28/12/2021. At the outset Dr. N. P. Narkhede, M.Tech Coordinator, welcomed the students & briefed vision and mission of the department. He also discussed various computing facilities, laboratories available, about different clubs and societies in the department. He discussed about the examination pattern and encouraged students to take proactive participation in technical & extracurricular activities. Dr. N.P. Narkhede informed students about Training & Placement Cell functioning that provides a window of opportunities to the students over a wide variety of careers in a broad spectrum of Industries/Organizations in India and Abroad. He also briefed the students with the achievements of T&P department and their efforts in conducting various activities for students which has resulted in achieving highest placements by the college in this region. The students were informed and motivated to undertake one year internship with renowned and specialized industries a provision made in the curriculum. Dr. N. P. Narkhede also talked about Industry Institute Interaction Cell (III CELL) of the institute, which provides ample opportunities for industry exposure to students through industry visits, research internships, summer internship and industry projects.

Prof. Sharmik Admane, Academic Coordinator (PG) briefed the students and discussed the Academic Calendar for the academic session 2021-2022. He highlighted the Academic rules & regulations as per ordinances regarding attendance, policies for appearing in end Semester exam/makeup examination, exam related grievances & explained students the detention criterion. He appraised students about MIS and its use for academic purpose. He also discussed about the academic incentive schemes. Also students were introduced to students' society ELECTROLITZ which organizes different activities and events at the departmental level for them.

9. National Youth Day Celebration and “Youthopia” an elocution Competition

The National Youth Day which is also the birth anniversary of Swami Vivekanand is celebrated like an annual festival in India. It falls on the 12th of January every year. Swami Vivekanand was born in West Bengal in the year 1863. His entire journey of life had the objective of spreading his teachings and philosophies that included lessons of peace, leadership, unity, valour, revelry and self-sacrifice. During his entire lifespan Swamiji motivated others to choose the path of spirituality.

Department of Electronics Engineering and Electronics Design Technology, under the aegis of their student’s society i.e. Electrolitz and Genesis respectively, celebrated National Youth Day on 12th January 2022 in online mode. An Intra Collegiate elocution competition “YOUTHOPIA” was also organized on this occasion for the students of second year of the two branches.

The event started with Ms. Shruti Upadhyay of fifth semester Electronics Engineering and anchor for the event, welcoming the audience followed by lighting of the lamp and Saraswati Vandana. She also gave a brief introduction about national youth day and the life and preachings of Swami Vivekanand. Dr. (Mrs.) Meghana Hasamnis, Head of the department, Electronics Engineering, in her address paid tribute to Swamiji and briefed the audience about how prominent institutes like IISC and Tata Institute of Fundamental Research were established by Jamshedji Tata inspired by the teachings of Swami Vivekanand. She motivated everyone to inhibit Swamiji’s preaching and work towards the development of the society. She urged especially the youth to participate in various social reforming services and contribute towards nation building.

After this, “YOUTHOPIA”, an elocution competition for the second year students was held. Dr. Rohini Ochawar, Dr. Bhalchandra Hardas and Prof. Snehal Laddha were the judges for the event. The participants were asked to present their views on the topic “Role of Youth in Nation Building” for a stipulated time of 5 minutes. Each participant was supposed to talk on the said topic in any one of the language i.e Hindi or English.

The event concluded by declaring the results in which Ms. Anushka Kawathekar and Mr. Varun Kaushik were declared the first and second winners followed by vote of thanks delivered by Ms. Shruti.

11. ENNOVATE 2022

ELECTROLITZ Student's Society of Electronics Engineering Department of Shri Ramdeobaba College of Engineering & Management, Nagpur organized a National Conference & Project Competition ENNOVATE'22 on 26th March 2022. Mr. Nilesh Panpaliya, Director Finveda Management Consultancy and Financial Services was the chief guest for the function. Mr. Vinay Tyagi, Mr. Amod Kawishwar from TCS Nagpur, Mrs. Ankita Sarada, Vice president of Sarada Dairy and Food Products Ltd., Dr. (Mrs.) M. A. Hasamnis, Head of Electronics Engineering department and staff members of Electronics Engineering Department were prominently present. The theme of the competition was "Atmanirbhar Bharat and Digital India".

Around 37 teams were registered for project demonstration, 33 teams were registered for Poster presentation and 13 teams were registered for Paper presentation. More than 200 students from 5 various colleges participated actively in the event. The projects, posters and technical research papers were evaluated by experts from industries and academia. Participants demonstrated various working models based on advanced technologies in Electronics Engineering like Embedded Systems, Robotics, IoT, AI. Mr. Rajendra Purohit, Secretary RCOEM and Dr. R. S.Pande, Principal, RCOEM appreciated participants for their demonstrations.

12. Electrolitz Student's Society Cultural and Sports Events

New executive body of Electrolitz, Student's Society of Electronics Engineering, Shri Ramdeobaba College of Engineering and Management was installed on 1st October 2021 for the year 2021-22 using the virtual online platform ZOOM. Mr. Nilesh Mahajan, Vice President, Reliance Jio Platforms Ltd. was the Chief Guest and keynote speaker for the function.

Extra and Co-curricular events of installation like ENPL (Electronics Cricket Premier League), E-Factor, Personality contest (For identifying Mr. and Ms. EN) and cultural night were held on 22nd and 23rd April 2022 and not at that time due to the prevailing COVID pandemic.

ENPL received an overwhelming response from students wherein 16 teams of 8 members each from second, third and final years competed for the trophy. It was mandatory for each team to have at least two girl students and the match was of total 12 over's, six over per team. Player selection was done based on current IPL concept i.e. via auction. Team "Electro Infinity" was the winner and its captain Mr. Ram Wandile was declared Man of the Tournament.

E-Factor consisted of events like Tug of War and Treasure Hunt that encouraged students to believe in team work and help each other. Various events like Aptitude test, Coding contest and Personal interview were also held to identify Mr. and Ms. EN amongst Second year students. Mr. Shashank Agrawal and Ms. Poorvi Verma were adjudged Mr. and Ms. EN and facilitated in the cultural night. Cultural Night was held in the evening on 23rd April 2022.

All the events received overwhelming response and more than 180 students from second to final year electronics engineering department participated in it.

13. "KALANJALI" A Talent Hunt

After forming the new executive body of Electrolitz, Student's Society of Electronics Engineering department of Shri Ramdeobaba College of Engineering and Management and with the arrival of 2nd year students in the department, a talent hunt contest namely "Kalanjali" was organized for second year students so as to identify prospects for branch cup.

Kalanjali was organized in online mode wherein students were urged to participate and showcase their talents in various fields like Dance, Drama, Music and Literary. Theme of Kalanjali was "Azadi ka Amrit Mahotsav" India's vision and aspiration of India's youth. Students were instructed to submit their Dance, Drama and Music Videos abiding by the rules that were framed specifying the maximum time limit for each video, Number of member participants, etc. Some of the participants submitted the poems in written form.

In all 16 entries were received for the events namely 8 for Music, 3 for drama, 3 for poem and 2 for dance. All the participants were appreciated and given prizes for participating during the cultural night of installation ceremony of Electrolitz Students' Society on 23rd April 2022.

14. Webinar on “Physical and Mental Fitness: Yogic Way”

An interactive and demonstrative webinar on “Physical and Mental Fitness: Yogic Way” was organised by the Department of Electronics Engineering on 21st June 2022 which is also celebrated as International Yoga day worldwide. Dr. Radhika Wazalwar, PhD Research Scholar (Yoga KKSU), MSc - Yoga Therapy SVYASA, Bangalore, BYND - Ramtek was the guest speaker. The session was organised for the students and faculty to introduce them about scientific aspects of yoga and its benefits on both body and mind.

Prof. Vishal Rathee, Assistant Professor, Electronics Engineering Department, introduced the speaker to the audience and welcomed her. He urged the audience to take benefit from this webinar and introduce yoga in their day to day life.

During the session Dr. Wazalwar, started with the basic meaning of Yoga and stressed that yoga is neither a magic nor it is only Asanas and pranayama, it is much more than that. She quoted examples from her life and being a trained yoga therapist herself gave examples of her patients as well to make audience understand the benefits of Yoga. Dr. Radhika also explained Ashtanga Yoga as started by Patanjali which are yama, niyama, asana, pranayam, pratyahara, dharna, dhyana and samadhi. Afterwards she briefed about what is stress? What is the origin of stress? What changes it brings in us and also told how yoga can help in reducing stress which is very much relatable to everyone's life whether he/she is a student or professional. She stressed it works on 3 levels which are physical, emotional and intellectual and can be controlled. Two simple asanas were also practiced in the classroom to relieve stress. More than 120 students and faculty members were benefited from the session.
