*Mechanism/Norms and Procedure for domestic/good Governance*

Shri Ramdeobaba College of Engineering and Management (RCOEM) was founded in 1984 by Shri Ramdeobaba Sarvajani Samiti, a registered charitable trust established in 1967 which has been involved in community service for over five decades. The Institute was granted progressive academic autonomy in 2011 and the self-financed university status on September 13, 2019.

The governance of the Institute is reflective of transparent, supportive, responsive leadership which practices participative management and collective decision making in line with the vision and mission of the Institute. To strengthen the academic practices, innovation in governance is the distinguishing feature of the Institute.

As a quality policy, the Institute aims at continuous improvement of all processes and strives to provide an environment conducive to the pursuit of knowledge and overall personality development of the students in tune with the vision of the Institute. The Institute adheres to the highest ethical standards and professional integrity and aims to enhance the satisfaction level of all stakeholders. The Academic Advisory Board of the Institute chaired by Padma Vibhushan Dr. Anil Kakodkar guides the Institution towards achieving its mission.

The proactive and supportive management ensures participation of faculty, students and staff at various levels in the governance and management of the Institute and provides requisite physical and academic infrastructure facilities for effective teaching learning on the campus. Motivation, encouragement, guidance, collaboration and recognition of excellence are the hallmark of governance of the Institution.

The collective decision making is achieved through well-defined processes and an organisational structure consistent with Statutes and Ordinances of the RTM Nagpur University, Nagpur and Ordinances framed under the UGC guidelines for autonomous Institutes. The Institute has various bodies and cells for governance and effective implementation, thus ensuring quality and continuous improvement at the Institute level. Through the development of the perspective plan and setting up of targets, responsibilities and review mechanisms, the Head of the Institute steers the Institution towards fulfilment of its vision, mission and objectives thereby leading the faculty and staff towards excellence.

The Institute believes in active participation of all faculty in the decision making bodies such as Board of Management, Academic Council, Board of Studies, College Development Committee, Staff Selection Committee, IQAC and other statutory bodies and committees. Finance Committee of the Institute comprising of a management executive member, finance officer and a teacher representative prepares the Institutional budget. For smooth functioning of the Institute, senior faculty members chair administrative positions as Dean and Incharge for functional areas such as Academics, Examination, Admission, R & D, Training and Placement, Student Representative Council, Industry Institution Interaction and Technology Business Incubation Centre.

#### *Students Feedback on Institutional Governance / Faculty Performance*

The college has online feedback mechanism integrated with the Management Information System. Student feedback is conducted twice in each semester. The feedback is conducted under three levels, viz. Institute level, Department Level and Faculty level. The feedback reports generated by the system are analyzed at the institute as well as department level and corrective actions are initiated. Parameters for Student Feedback are as follows

##### *College Feedback*

- Central Library: Adequacy of titles and volumes
- Central Library: Ease in issuing of books
- Central Library: Suitability of library timing
- Adequacy of facilities promoting Sports, NSS etc
- Approach towards promoting co-curricular and extra co-curricular activities
- Adequacy and time-suitability of photocopying facility
- College Canteen facility: timings and food quality
- Centralized Computer laboratory and internet facility: qualitative and quantitative adequacy
- Availability of distance learning resources, video lectures, web courses etc.
- Student counseling and training for improving placements
- Administrative office: Ease of Approachability
- Administrative office: Ease of Approachability

##### *Department Feedback*

- Adequacy of laboratory facilities (Space/ventilation/number of set ups etc)
- Availability and ease of computing & internet facility
- Mechanism and approach to provide exposure to external world through field visits, guest lectures etc.
- Infrastructure (Furniture/blackboard/ illumination/fans/ flooring etc.)
- Overall approach and commitment of the department towards providing quality technical and professional education
- Hygiene (class/sanitation/ surrounding)
- Mechanism and approach to deal with students/parents grievances
- Students guidance and mentoring facilities
- Availability of modern instruments and arrangements/facilities to provide hands on experience

##### *Theory Course Feedback*

- Effectiveness in providing the information regarding online activities

- Effectiveness in learning the course online against classroom teaching
  - Subject Knowledge of the teacher
  - Communication Skills of the teacher
  - Quality of content delivery
  - Coverage of Syllabus
  - Punctuality and regularity in conduction of theory classes
  - Interactive teaching in the class
  - Standard of assignments- does it make you refer to books / Journals / Web Resources?
  - Effectiveness and promptness of clearing doubts / difficulties
  - Usefulness / utility of the study material provided
  - Promptness in continuous evaluation
  - Outline of teaching plan, course outcomes and assessment modes discussed in the beginning of the semester
- Practical Course Feedback*
- Punctuality and regularity in conduction of laboratories
  - Extent to which experiments / programming assignments discussed
  - Self explanatory laboratory manuals provided
  - Innovative experiments/ programming assignments introduced
  - Usefulness of the laboratory

Last date of closing admissions of First year B.Tech, MBA, MCA, M.Tech. And Direct second year: 30.12.2021

Starting of Academic session:

First year B.Tech: 21.12.2021

First year MBA : 21.12.2021

First year MCA: 15.12.2021

First year M.Tech. : 21.12.2021

Waiting List:

Due to non-reporting of allotted candidates, the seats are offered to wait list candidates as per the merit.

Refund of fees:

As per the DTE information brochures displayed on website [www.cetcell.mahacet.org](http://www.cetcell.mahacet.org), the cut off date and refund fees are mentioned. We strictly follow the all guidelines mentioned in DTE information

## 12. Criteria and Weightages for admissions

Describe each criterion with its respective weightages and Minimum level of acceptance:

- B.Tech. First Year: 85% admissions are carried out on the basis of non-zero score of MHCET 2021 examination and 15% admissions on the basis of non-zero score of JEE(main) 2021 examination. However, preference shall be given to the candidate obtaining non zero positive score in JEE Main(B.E/B.Tech) over the candidates who obtained non zero score in MHT-CET 2021.
- For MBA First year: 100% admissions are carried out for obtaining non zero positive score in one of the following examinations; CET conducted by the Competent Authority (MAH-MBA/MMS-CET 2020), Common Admission Test conducted by Indian Institute of Management (CAT) or Common Management Aptitude Test Conducted by National Testing Agency (CMAT).
- For MCA First year: 100% admissions are carried out for Obtaining non zero positive score in MAH-MCA-CET 2020.
- For M.Tech. First year: 100% admissions are carried out on the basis of following:
  - Obtained Qualified score in Graduates Aptitude Test in Engineering (GATE) conducted by the Indian Institute of Technology and valid for the current academic year ;
  - OR
  - Obtained non-Qualified marks in Graduates Aptitude Test in Engineering (GATE) conducted by the Indian Institute of Technology for the current academic year;
  - OR
  - Obtained Qualified score in Graduates Pharmacy Aptitude Test (GPAT) conducted by National Testing Agency and valid for the current academic year ;
  - OR

- Obtained non-Qualified marks in Graduates Pharmacy Aptitude Test (GPAT) conducted by National Testing Agency for the current academic year;

OR

- For sponsored candidates, minimum of two years of full time work experience in a registered firm/ company/ industry/ educational and/ or research institute/ any Government Department or Government Autonomous Organization in the relevant field in which admission is being sought;
- GATE or GPAT Qualified Candidates shall have preference over the not qualified Candidates.
- For sponsored candidates, minimum of two years of full time work experience in a registered firm /company /industry /educational and/ or research institute/any Government Department or Government Autonomous Organization in the relevant field in which admission is being sought.
