

Quizzique Event Report under - tECxpression 2021

In this difficult situation of pandemic, the *Communique* student's society tried to encourage and motivate students by organizing an online event *Quizzique - Season 2* on 6th October 2021 under the mega technical event – tECxpression 2021.

The motive behind these events being to gain technical knowledge and improve interpersonal skills in fun but effective way by competing with their peers.

Description of event:

Quizzique-

This event was conducted in a fun and entertaining way to gain technical knowledge in which students of all the branches of RCOEM currently in the third and final year were eligible to participate. Quizzique comprised of 3 rounds where questions from the topics Movies, Games, General Knowledge, Current affairs, Government strategies and Basic Engineering Questions were asked.

Round 1

All participants were asked to join a Zoom meeting where 15 questions were to be answered in 15 secs. each. The questions were shown live in the meet and the participants marked the answers in a google form which only had options in it.
