Eco Friendly Ganapati Idol Making Workshop

Date: 06/09/2015

The Ganesh Idol Making, was fun event where all the people were taught how to make a Ganesh idol with eco friendly clay. This event was organized as the auspicious event of Vinayaka Chaturthi. This event was organized as the Chaturthi was drawing near. The event was organized by Rotaract Club & Women Empowerment Cell of RCOEM, Nagpur in RK Vidya Mandir School. Ms. Akanksha Sabharwal along with her team were present to conduct the event.

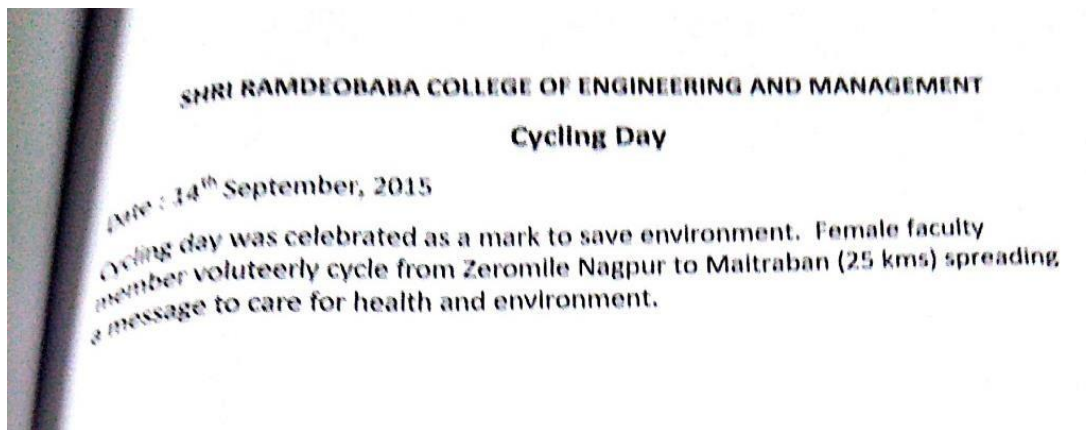

The event started at 9am. The tutor started the lessons by first teaching the participants the method to kneed the clay. The young kids came along with parents and enjoyed the event thoroughly. All the participants coordinated well with the team and the event ended at 1PM and snacks were provided to all the participants. The best 3 idols maker's names were announced.

The event was a huge success as the Rotaractors geared up for the upcoming Ganesh Chaturthi, awaiting bappa's arrival.

Nirmalaya Collection

Date: 27th September, 2015

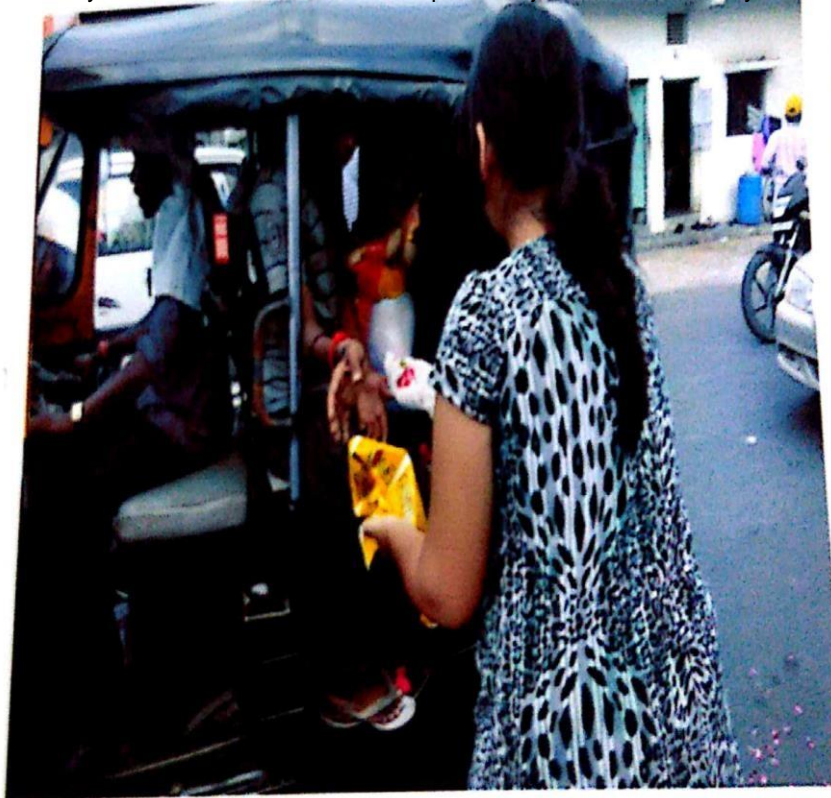

The nirmalaya collection during ganesh idol immersion was organised by the ROTARY CLUB of MIHAN TOWN, Rotaract club of RCOEM and Women Empowerment Cell RCOEM. The event took place at the Futala Lake on 27th September 2015.

Our main purpose to organise this event was to avoid pollution of the Futala Lake and to conserve the lake.

Encapture 2015

Date : 28/11/2015

“Encapture” was a photography event wherein the participants were to be given a few days (from 28/11/2015 to 6/1/2016) and they had to click two pictures during that time only. The topics for the photography competition were given. They were as follows:

- The eyes have it
- Festive colours
- Express yourself
- Morning streets

The participants had to submit the photographs along with its EXIF on the Google’s email account ‘rotaractphotography16@gmail.com’.

The event was carried out with the help of the Women empowerment Cell of RCOEM & photography club of RCOEM. The members of the club helped in finalizing the 12 best entries that were to be featured in the annual rotaract calendar. The photography club members also helped in determining the authenticity of the photos.

This was the first phase of the event. The second phase comprised of the display of photographs in the ‘saisabhagruh hall’ on the 17th of January. Till that time the calendars were also printed with help from rotary. The calendar was unveiled on that day during the musical program by DG Rtn. Dr Nikhil Kibe.

The event was publicised on all social networking sites and the response was good. The students worked in a team to make this online photography competition also a great success.

Chennai Relief Task

Date : 23-12-2015

‘Man should not play with nature’, Chennai’s flood was a perfect example to make us realize this.

But what was done, was done. We can’t change it now but we can at least change the scenario in Chennai after the floods.

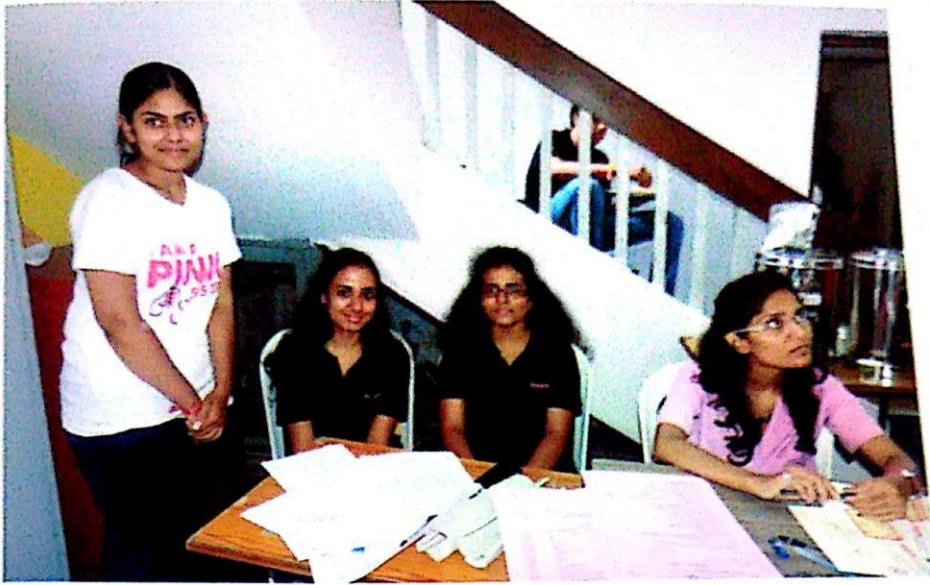

With this thought in mind, MadhurShetye took a lead of a task of collecting items for Chennai relief. When they shared this plan with their parents and Rotary Club of Mihan Town, they appreciated the efforts and helped the cause by giving a sum of Rs 10,000.

Along with an organization named “The Climbers” took up the task. The Climbers helped the students in sending the packages to the destination. The task started by making a list of the things needed. Since dry ration, clothes and medicines were at the priority list, the students focused on these items only. The message was forwarded on social media and by word of mouth. The members and their colleagues helped them in collecting the things. The activity was carried out from 7-9th December, during which the members had their end- semester exams also, but the flame of humanity drove students towards the completion of the task. Finally on 9th December, they organized all the materials and packed them in gunny bags and boxes.

22 bags of clothes(all in good condition), 55 kg of rice , 35 kg of dal, 102 kg of sugar , medicine worth Rs 2800, toiletries worth Rs 3050 and an amount of Rs 15,300 was collected and handed over to “The Climbers”, who collected packages from some more organizations and took them to Chennai.

Spread Happiness Campaign

Date-20/03/2016

The Spread Happiness Campaign was organised by the Women Empowerment Cell along with Rotaract club of RCOEM. The event took place on 20th March 2016.

Our main purpose to organise this event was to spread happiness and joy everywhere we go. Our event started early in the morning. The rotaractors gathered at 4:30 AM to express their gratitude to the newspaper vendors for their hard work that starts at even before the sun rises. Secondly, our troop went on to spread hygiene awareness along with cleanliness kits that included hand gloves, face mask and soaps to public cleaners.

Then we moved on to a construction site to celebrate the birthdays of the children there who aren't all that privileged to even afford chocolates. We cut birthday cakes with them and celebrated with full zest.

Next, we thanked all our citizens who strictly follow traffic rules and take their lives and others' seriously.

Lastly, we gathered at the Central mall to celebrate free hugs that were given by the little kids. We also had a band named "Rigveda" performing for all the people present. The kids were shown the entire mall and danced to the tunes played and gave on hugs wherever they went. The day ended with small refreshment party with gifts and ice creams for all the kids, us rotaractors and all the rotarians too.

The event received an amazing response everywhere we went because spreading happiness is to just smile and enjoy life as we go with it.

As we saw the joy reflect a glow on everyone's face, the utter satisfaction felt through the entire day's work was worth it all.

Together We Can Spread Happiness.
