INTERNAL QUALITY ASSURANCE CELL (IQAC)

Expert Talk on Financial Management 21st February, 2018

Internal Quality Assurance Cell (IQAC) of Shri Ramdeobaba College of Engineering and Management has organized Expert Talk on “Financial Management” by Dr. Kanchan Naidu, MBA Department, RCOEM, Nagpur on 21/02/2018, Wednesday. The talk was organized for teaching, non-teaching female staff members and girl students of the institution. Total 49 participants were present for the talk.

In her speech, she expressed that many women have to struggle in achieving financial independence and maintaining a reasonable standard of living as they earn less than men. She further said that though women manages household budget very easily but still doubt their ability to manage money due to lack of trust and independent financial information. Women tend to view money and finances differently from men. They want security than power that makes them more conservative and afraid of making mistakes.

Working women faces a variety of challenges and often are very poor financial planners as they are sandwiched in generations, caring for kids and ageing parents at the same time, adding greater pressure. She has advised such women with tips like outsourcing household tasks, budgeting time, managing stress, working with financial advisers etc.

**Expert Talk on “Financial Management” by Dr. Kanchan Naidu, MBA Department,
RCOEM, Nagpur on 21/02/2018**

Expert, Dr. Naidu, member of Stock Exchange Board of India (SEBI), in her interactive session for UG and PG girl students and teaching and non-teaching staff under the banner of IQAC Cell, shared her valuable experience and explained the importance in terms of wise investments and personal financial growth on the principle of “Save Today, Smile Tomorrow”.

The session was interactive and Expert Talk has motivated the students and staff to start saving at early age by saving through different financial schemes for better future prospects. She also informed students how to manage their finances by learning different ways to improve their financial security and earning self respect. Also she has impressed on seeking financial counselling help if so needed.

Dr. (Mrs.) Meghana Hasamnis, Member Secretary, IQAC, stressed on imparting good financial education to girls at different level. She also expressed her view that by achieving financial independence makes women strong and capable of achieving heights. She expressed her thanks to the expert and participants for making programme successful.
