Preface

The Institute firmly believes that one can improve if one knows the shortcomings. The transparent and robust feedback system of the institution is a testimony to its belief.

The purpose of this feedback process is to provide a structure for obtaining, summarizing and documenting information on the stakeholder perceptions of the quality and effectiveness of the Institute's curriculum and for use in program evaluation.

•The feedback is collected from the following stakeholders:

- Employer
- Parent
- Alumni
- Student
- Faculty

• Stakeholders' feedback are collected and analyzed at department level for continuous improvements in curriculum and other academic aspects. Inputs collected from all the stake holders are analyzed and put forth in Board of Studies (BoS) for approval. After getting approval in BoS, the curriculum with the incorporation of recommended changes if any , is sent to Academic Council for approval.

• The action taken report based on the discussion and suggestions given in the feedback by the Stakeholders is prepared by the Head of the department and corrective actions are initiated.

• Overall analysis of the Stakeholder feedback report is presented in Internal Quality Assurance Cell (IQAC) meeting.
