

Report on Alumni Interaction through Video Conferencing

Venue – T&P Conference Room, RCOEM, Nagpur

Date – 1st October 2016

An interactive session with the Alumni was organized by Prof. (Mrs) Ankita Harkare for 2nd Year Electronics and Communication Engineering students on 1st October 2016.

The eminent Alumni Sneha Chandra who happens to be amongst the toppers of 2009, EC batch has completed her MS from university at Illinois at Springfield in Computer science. She has worked for companies like TCS, Infosys and currently working for cellular, US at Schaumburg, Chicago. She was thrilled to address the young minds and guide them in their respective career goals. Students interacted with her on topics related to pursuing higher education and job requirement of the industry. She conducted a small presentation on Career options in software industry which was well received by the students. This interaction will definitely be useful to the students for understanding the need of the hour with respect to industry.
