Dear Sir,

With reference to our discussion, we are inviting you to deliver lectures on "GSM Technology" on any dates after 25th Feb 2020 as per your convenience. You may require 4-6 hours to finish the said topic.

Following are the content of the course which you are requested to cover:

**GSM- global system for mobile: services, features, architecture,
GSM radio subsystem,
GSM channel types, frame structure,
signal processing and call setup in GSM, and
introduction to CDMA**

You may require 4-6 hours to finish the said topic.

Kindly spare some of your valuable time to teach our students. They will be obliged to learn this technology from the industry expert like you.

I also request you to please send your brief profile (Bio-data) this is required for some administrative formalities.

Thanking you in anticipation,

Dr. Rajesh Raut
