

Honors and Minors Scheme at RCOEM

- In this era of cut throat competition, it has become one of the major objectives of the Universities to inculcate the contents, practices and processes in view of making the learners enriched and competent enough to satisfy the multidisciplinary requirements for various job profiles and career prospects.
- All India Council for Technical Education (AICTE) has decided to allow the learners to acquire Honors/Minors with respect to certain exotic and state-of-the-art Engineering domains.
- With this facility students can acquire Honors/Minors by earning certain number of credits.
- With a thought that, the students with good academic standing, utilize their surplus time for enhancing their academic learning experience and gain a wide exposure to the various domains of knowledge while pursuing U.G. degree at RCOEM, Schemes of Honors and Minor has been initiated.
- The choice rests with the learners to undertake the Honors/Minors, rendering the scheme totally voluntary and not mandatory.

Why Honors?

- Vertical growth in your branch.
- Advanced level courses in your branch.
- Deeper knowledge to better prepare you for higher studies or to take a job in a certain specialized area.
- Development of strong subject skills as Honors project enables you to explore one in much greater depth.
- Help to pursue further studies or research in the future.
- Dedicated knowledge in specialization.
- Improves employability opportunities
- Learn Skills Outside Your Major
- Sense of accomplishment

Honors Scheme at RCOEM

- Honors scheme aims for student's vertical knowledge growth in his/her Parent Branch which may have research orientation.
- On successful completion of the requirements of Honors scheme, students will be issued a separate certificate of completion by the college.
- The passing of individual Honors courses will not be mentioned on the Grade Cards.

- On completion of all 18 additional credits of Honors, a separate certificate of “Honors in (Name of the Department) Engineering” will be awarded to the student by the college.
- Participation of students in Honors and Minor schemes is not mandatory.
- Aspiring student can register for ANY ONE of the two schemes (Honors OR Minor).
- A student opting for ‘Honors’ will not be entitled to register for ‘Minor’ and vice-versa.
- *A B.Tech degree with “Honors” simply signifies academic excellence, indicating extra efforts in acquiring additional credits within the permitted duration of degree.*

Why Minors?
