

Shri Ramdeobaba College of Engineering and Management, Nagpur

Department of Electrical Engineering

EMPOWER – 2023

IEEE Student Joint Chapter of Power Electronics Society and Industrial Electronics Society RCOEM and Electrical Engineering department of Shri Ramdeobaba College of Engineering and Management organized unique one day event, technical exposition, EMPOWER-2023 on 27th February 2023 for students of all the Engineering Branches of the college.

This event's aim was to actively engage industries with graduating students and inform them of the most recent advancements in engineering products and technologies. An effort is made to close the knowledge gap between academia and activities of the company. At this one-day event, industry professionals gave a brief presentation on their technological trends and products. The students had a great chance to speak with one-on-one and get answers to their questions from professionals in the field. The event was also comprised of technical quiz and rapid-fire rounds for students to show case their technical knowledge.

In this event, state-of-the-art technology-based goods were displayed from 5 industries, including Schneider Electric, D.V. Associates, Baaz Bikes from New Delhi, Goenka Switchgear, and Crompton Greaves Consumer Electricals Ltd. This event featured student delegates from many branches. Function was greatly valued.

In the start of the event, Dr. Sanjay Bodkhe, HOD Electrical Engineering, welcomed all industry experts and participants. Prof. Uday Mujumdar explained the theme and importance and idea behind EMPOWER to the gathering. Experts from Baaz Bikes gave presentation on working of Electric bikes and briefed all about their company, the unique feature of the bike was of

swapping charged batteries. After the presentation, technical quiz 1 was conducted for the participants.

Over 150 students from various engineering branches from college registered for the event. Certificate is awarded to only those student delegates who attend the complete function up to last hour.

All the industry experts were felicitated by hands of the principal Dr. Rajesh Pande, Principal RCOEM in the presence of Dr. Sanjay Bodkhe, Dr. M.S Kadu, HOD Civil Engineering and other faculty members of Electrical Engineering. In the second round of quiz which was a rapid fire round. Based on previous round, top 15 students were selected and were divided into 5 groups of 3 students in each group. After which the quiz round two was conducted. The winners of the quiz, Ms. Snehal Dubey, Mr. Sarthak Wankhede and Mr. Vallabh Acharya were awarded by the Dr. Sanjay Bodkhe and the experts from Baaz Bikes.

At the end of the event, Ms. Sarveshwari Umre, Vice Chair, IEEE Student Joint Chapter of PELS & IES RCOEM, proposed the formal vote of thanks. The ceremony was concluded with the national anthem.

Prof. Uday Mujumdar along with Prof(Mrs) V.A. Huchche, Prof. Gaurav Goyal, other faculty members, third and final year electrical students worked hard to make the event a grand success.
